- When it comes to reading current news, which of the following would you like to read?

- 1. Politics;
- 2. Sports;
- 3. Arts and Films.

- 閱讀時事時，你會想讀下列何者？

- 1. 政治；
- 2. 運動；
- 3. 藝術與電影。

高分範例：

I would like to read about arts and films. For me, I go to movies and exhibitions during my free time to relax myself. I am also currently subscribed to a few galleries and museums so that I can receive their newsletters. They issue a newsletter every month showing what events are coming up in the near future. It is really important to keep up with the latest news because there is always a show time for movies and exhibitions. It will be really sad for me to know about the events after the show time since it's nearly impossible for me to see the same movie or exhibition again. That's why I would like to read about arts and films.

- Some people prefer to study for their exam in the morning. Others prefer to study for it in the evening before. Which do you prefer and why? Use specific details and examples to explain your idea.
- 有些人準備考試喜歡早上念書。其他人喜歡前一天晚上念書準備。你偏好哪一個？為什麼？

高分範例：

I prefer to study in the evening because I am just not a morning person. When I was in high school, everyone was working hard for the college entrance exam. Some of my friends did really well in school and all of them studied in the morning so I thought that I should give it a try. However, I totally failed. I woke up around 7 or 8 to study, but I always fell asleep again at about 10 or 11. Whenever I woke up, I felt extremely frustrated and of course, guilty, since I had wasted so much time sleeping instead of studying. So in the end, I just figured that I'm not a morning person at all, so I'd rather study in the evening..

我偏好晚上念書，因為我不是個早起的人。當我念高中的時候，每個人都在努力準備大學入學考試。我有些朋友在學校成績很好，他們全都是在早上讀書，所以我想我應該要試看看。然而，我完全失敗了。我早上七八點起床念書，但我總是在十點十一點的時候睡著。我每次清醒過來的時候都覺得很挫折，而且當然會有罪惡感，因為我浪費了這麼多時間睡覺而不是學習。所以最後我懂了，我完全不是一個早起的人，所以我寧願晚上念書。
