考前重点机经，务必把“必考”的4大类重点题目过一遍。（此机经为阿武老师AIO课程发的完整机经的一部分，正式AIO学员发放完整机经）

对比类

Do you agree or disagree with the following statement? Your job has more effect on your happiness than your living environment does.

Do you agree or disagree with the following statement? Primary schools should spend more time on teaching young students (5-11 years old) technology (like computer) than teaching music and art.

Many school require young children (aged 5-11) work together in a small group instead of working alone to learn many activities. Do you think it is good way to teach children?

Agree or disagree: Students should be encouraged to study those filed like science, technology, engineering, and math(STEM) rather than they have interest in.

Do you agree or disagree with the following statement? When working on a project, it's better for classmates or colleagues to communicate face to face than sending emails.

Do you agree or disagree with the following statement? Movies and televisions have more negative influences than positive influences on young people's behavior.

Some people think that it is an important part of a child's education to go on field trips (for example, museums), other people think a child's time is better spent learning in a classroom at school. What is your opinion?

Do you agree or disagree with the following statement? It's better to complete a project and then start another one than to do several things at the same time.

单一观点类

Do you agree or disagree with the following statement? The rules that the whole societies today expect young people to follow and obey are too strict.

Do you agree or disagree with the following statement? These days, children spend more time on doing homework or participating in organized activities related to school or sports. However, they should be given more time to do whatever they want.

Do you agree or disagree with the following statement? Nowadays people are more willing to help the people who they don't know (For example, giving food and clothes to the people who need them) than they were in the past.

Do you agree or disagree with the following statement? It is difficult for teachers to be both popular(students like them) and effective helping students in learning.

Which do you think is better? Should the government cover the Internet fee or should individuals pay the Internet fee?

Do you agree or disagree with the following statement? Leaders should make decisions quickly. If it takes much time for them to make decisions, their followers will doubt their efficiency.

Some teenagers took part in many different kinds of activities, such as musical classes and sports classes, while others only focus on one activity which is important to them. Which do you think is better? Please provide reasons and details in your answer.

Do you agree or disagree with the following statement? Some students do other things while study, such as using the mobile phone, spending time on the Internet or listening to music. Such activities bring bad effects to their study.

绝对化类

Do you agree or disagree with the following statement? Only movies that can teach us something about real life are worth watching.

Do you agree or disagree with the following statement: All university students should take basic science courses regardless of their fields of study.

三选一类
